MANIFESTO

I Pranav Kulkarni (15D070017), if appointed as the Technical Councillor, Hostel Two, will do my best to foster the spirit of tech culture, fulfil my duties, stay approachable to all the students and be open to criticism and suggestions all the time. In particular I will:

INITIATIVES FOR BOOSTING TECH CULTURE:

1) Propose increase in technical activities during hostel fest. Organise fun competitions, sessions, demos and incentivise participants and winners.
2) Introduce point system for tech related activities and have awards/prizes based on overall points at the end of the year.
3) Have periodic discussions for tech related issues and requirements of the hostel inmates. (or float online forms or polls)
4) Conduct technical orientation and workshops of various softwares (latex, matlab, python, html) for freshmen.
5) Ensure the updates of tech events and GCs are updated on hostel app.

TECH ROOM:

1) Reform the newly allocated tech room into a properly functioning tech room. Build infrastructure and buy electrical and mechanical equipments as per the need.
2) Co-ordinate with comp secy to have a desktop in tech room with all the important softwares installed. Also get a Lan connection and Wi-Fi in tech room.
3) Maintain a list of tools and instruments in the tech room and record of the issued components.
4) Install a cctv camera in tech room as per feasibility and necessity.
5) Push for a hostel printer in tech room or comp room.

INITIATIVES FOR OVERALL HOSTEL BENEFIT:

1) Invite and float projects for overall hostel benefit (such as e mess card, biometric in mess)
2) Design and test a prototype for key operated main electricity switch. Check feasibility and co-ordinate with authorities.
3) Propose a minimum electricity wastage competition in coordination with maintenance council based on frequent checks and make the electricity bills public.

GENERAL DUTIES AND FOLLOW UP:

1) Publicise the GC problem statements through H2 forum and posters in order to keep inmates informed and to encourage maximum participation.
2) Ensure that best people from the hostel participate in respective GCs.
3) Conduct intra hostel competition for preparation of low prep GCs and incentivise participants.
4) Ensure participation of freshies in tech activities of hostel and GCs.
5) Create and Maintain a database containing information of hostel inmates about their interests and participation in GCs.

CREDENTIALS:

1) Involvement in tech activities at institute level
   successfully made line follower robot and RC plane in first year
2) Completed ITSP under electronics club - Carom Playing Bot
3) Involvement in tech activities related to hostel
   Participated in Zatka GC, Logic GC
4) Hostel Special mention for sports
5) Worked as Events Co-ordinator, Techfest 2016-17
