

# MANIFESTO

I, **Aashwin Agrawal (190020001)**, if elected as the **Technical Councillor, Hostel 9**, will do my best to encourage the spirit of tech culture, fulfil my duties, stay approachable to all the students and be open to criticism and suggestions all the time. I propose to do following in my tenure-

## **KEY INITIATIVES:**

- Organize **H9 Season of Code** where sophies will be able to develop coding skills by doing amazing coding projects under the mentorship of experienced coders in our hostel
- Conduct **Webinars** and **fundae sessions** to guide sophomores through the **internship** process, various **Entrance Exams** and **GSOC**
- Create and maintain a proper **online database** of all the tech room inventory on the website of Hostel 9.

## **FOLLOW UPS:**

- Organize **Intra-Hostel Competitions** and Brain-Storming Sessions for GCs to improve participation of Hostel Inmates in Tech GCs and to build a competitive Tech Culture in Hostel
- Showcasing **Tech Magazines** in the TV Room so hostel inmates can read them
- Implement proper Tech Room rules and systematically arrange tech room inventory
- Publicize the tech room by attaching posters and direction indicators in different places inside the hostel
- Organize **H9 Technical Projects** where students get to pitch their innovative project ideas from which, 2 projects will be selected and we will help them successfully finish it.

## **GENERAL DUTIES:**

- Collaborate with institute Tech Council Clubs for organizing technical events in the hostel
- Update hostel inmates regarding tech related events happening under institute
- Coordinate with people who are participating in Tech GCs, motivate them and help them in competitions
- Actively participate and contribute in Institute Technical Council meets and represent our hostel in meet
- Coordinate with Council Members and help in organizing hostel events like 9tanki
- Manage the work distribution among hostel Technical Secretaries through regular meets
- Increase the participation in Tech GCs especially freshers
- Create and maintain a database containing information of hostel inmates about their interests and participation in GCs
- Ensure the development of Tech Culture in the hostel which has been adversely affected in last year due to Covid-19
- Regularly post about the tech events happening in hostel on the H9 facebook page.
