

DESERTATION TOPIC 2017-18

Roll number	Name of Student	Name of Guide	Topic
165060016	Birupakshya Panda	Santanu Banerjee	Study of Jurassic sediments in Jhuran Formation
165060011	Subrat Kumar saho	Santanu Banerjee	Study of Mesozoic sediments in the Patcham Island, Kutch
165060034	Arun T.	Santanu Banerjee	Petrographic studies of sandstones in Cretaceous Bhuj Formation
165060004	Piyush Sriwastava	George Mathew	Alkaline and differentiated rocks of Phenaimata and Ambadungar area, Gujarat.
165060007	Abdul Rahman Sheri	George Mathew	Lithology, mapping and uplift history of the western Meghalaya Plateau.
165060013	Jasmine Nayak	T.K Biswal	Kirtinagar to Srinagar, Uttarakhand, India Study of pseudotachylites along Kui Chitraseni shear zone.
165060022	Krishna Chandra Das	T.K Biswal	Tectonic setting of Sendra granites at Babra, Rajasthan.
165060008	Md. Azeem Rabbani	T.K Biswal	Tectonic setting of Sankari granites, Tamilnadu.
165060033	Troy Lobo	Kanchan Pande	Mineralogy and chemistry of inter-flow horizons within the Wai Subgroup, Western Deccan Volcanic Province
165060021	Alok Kumar Rao	Kanchan Pande	Mineralogy and chemistry of the inter-flow horizons at the contact of Bushe and Poladpur Formations, western Deccan Volcanic Province.
165060003	Masa Dutta	Vikarm Vishal	Pore characterization of shales for gas recovery
165060018	Abhik Das	Vikram Vishal	Pore characterization of coal and lignite for carbon sequestration
165060019	Nigom Roy	Suryendu Dutta	Organic geochemistry of Jurassic black shale from Kutch Basin
165060002	Chandni Mishra	Suryendu Dutta	Organic geochemistry of Eocene plant remains from western India using pyrolysis-GC-MS.
165060015	Chinmaya Kumar Dash	T.N Singh	Evaluation of geo-mechanical parameters for highly jointed and vulnerable road cut slope along Devprayad to Kolta, Uttarakhand, India
165060014	Shubhashish Behera	T.N Singh	Risk assessment of landslide using geo-technical parameters along Kirtinagar to Srinagar, Uttarakhand, India
165060006	Abhinab Das	T.N Singh	Stability and rock fall analysis in stratified and jointed rock slopes- a case study from Kolta to Kirtinagar, Uttarakhand, India
165060009	Rumela Bhowmick	P.K Saraswati	Micropalaeontological study of Eocene section of Khuiala – Bandah area (Jaisalmer)
165060010	Darakshan Fatima	P.K Saraswati	Micropalaeontological study of Palaeocene section of Khuiala – Bandah areas (Jaisalmer)
165060024	Avirup Chaudhuri	S.C Patel	Petrology of charnokites around Chennai, Tamilnadu

165060027	Soumyakanta Pradhan	S.C Patel	Petrology of Charnokites around Pondichery,Tamilnadu
165060017	Aditi Singh	Hetu Seth	Volcanology and volcanic geoheritage of the Kanheri Caves, S. G. National Park, Borivli, western Deccan Traps [note: field work important and potentially strenuous]
165060026	Rajesh Kumar Sahoo	Hetu Seth	Geology and petrology of gabbro intrusions in the Thane-Vasai areas, western Deccan Traps [note: field work important and potentially strenuous]
165060001	Meghomita Das	Malay Mukul	Lateral variations in the geometry of the Katrol Hills fault hanging wall near Bhuj, Kachchh
165060005	Birendra Kumar Soni	Malay Mukul	Lateral variations in the geometry of the Katrol Hills Fault hanging wall near Anjar, Kachchh
165060025	Sourav Dutta	Prabhakar Naraga	Petrology and geochemistry of mafic-ultramafic suite of rocks from Kanigiri area, Andhra Pradesh
165060028	Debasish Dehury	Prabhakar Naraga	Petrology of garnetiferous metapelites in and around Bhilwara,Rajasthan.
165060023	Neena Picardo	D Ramakrishnan	A study on the Uranium mineralisation around Benchanmardi area,Kaladgi basin
165060012	Rajeev Kumar	D Ramakrishnan	Mapping the Hydrothermal Alteration zones around Sharada-Dungarpur transect, Rajasthan using AVIRIS data
165060029	Anurag Behera	G.N Jadhav	Petrography,opaque mineralogy and melt inclusion studies of volcanic rocks occurring in and around Shapur-Bhivandi area of Maharashtra.
165060031	Bibhukalyan Acharya	G.N Jadhav	Petrography,ore-petrology and melt inclusion studies of BIF and adjoining igneous rocks occurring in and around Goa.
165060032	Sawan Kumar	G.N Jadhav	Petrography,opaque mineralogy and melt inclusion studies of volcanic rocks occurring in and around Palghar Dist., Maharashtra.
165060020	Dibyajyoti Nath	H.S Pandalai	Petrological studies on the Chinchergi granophyres, Hutti-Maski Schist belt, Karnataka.
165060030	Raj Kumar	H.S Pandalai	Petrology and fluid inclusion studies of the rocks around the Uti gold deposit, Hutti-Maski Schist belt, Karnataka.
